Welcome to "Raidou!"

We were brought to this planet by "Firelord" a few centuries ago. However, we found out that the knowledge we had acquired ourselves was useless here, and as a result, our production had decreased. For the last few decades, we had tirelessly explored and discovered this new-found land. Finally, we did manage to learn some surviving skills from the friendly locals here. From there onwards, we gradually built our own Kingdom.

-Oscar

The Kingdom of Oscar was never as prosperous as people had hoped for. As time passed in time as it was, all was turned to dust in an unexpected explosion. Not only did the survivors never get together to rebuild the Kingdom, they even started being suspicious of each other. Hence, quarrels played in people.

-Yuan Yang

Several years after the explosion, colorful stones started to appear on the area and on the ground, which were harvested and refined. These stones contain all sorts of amazing powers, and when they are adapted into people's lives, producing rare resources by several fields. Hence, they are called "Original Stones".

I HOPE, TO HAVE ANOTHER FATHER

This young man is Fort Ling, an orphan in La Ling town. Not only is he handsome, he's also awfully close to the villagers. He has a grudge against roachmen.
